President and Chief Executive Officer
Professor of Cardiac Surgery
Gordon F. Henderson Chair in Leadership
Research Chair in Valve Surgery
University of Ottawa Heart Institute
Ottawa, ON, Canada

AGENDA

7:00 a.m. Registration and breakfast

7:45 a.m. Welcome and program objectives

Session 1 Mitral Regurgitation: Evaluation

Moderator: Dr. Howard Leong Poi

8:00 a.m. Grading secondary mitral regurgitation:
Why are the criteria different?

Dr. Linda Gillam

8:15 a.m. New insights into mitral regurgitation by 3-D ECHO

Dr. Maurice Sarano

8:30 a.m. Asymptomatic mitral regurgitation: the case for watchful waiting

Dr. Linda Gillam

8:45 a.m. Asymptomatic mitral regurgitation: the case for early surgery

Dr. Maurice Sarano

9:10 a.m. Case presentations

10:00 a.m. Nutrition break

Session 2 Mitral Regurgitation: Surgery

Moderator: Dr. Tirone David

10:30 a.m. New approaches to mitral valve repair

Dr. Michael Borger

10:50 a.m. Surgical strategies for secondary MR

Dr. Thierry Mesana

11:10 a.m. Valve repair following endocarditis

Dr. David Latter

11:30 a.m. Case presentations

12:00 p.m. Lunch

Session 3a A Glance at the Future

Moderator: Dr. David Latter

1:00 p.m. Percutaneous mitral valve replacement:
early NY experience

Dr. Michael Borger

1:10 p.m. Percutaneous mitral valve replacement:
early TO experience

Dr. Mark Peterson

1:20 p.m. Transvenous mitral valve-in-valve

Dr. Neil Fam

Session 3b

Moderator: Dr. Thomas Parker

1:30 p.m. Case presentations

2:30 p.m. Nutrition break

Session 4 TAVI Update

Moderator: Dr. Chris Buller

3:00 p.m. TAVI valves; will they standup?

Dr. Asim Cheema

3:20 p.m. Why I like the COREVALVE

Dr. Sam Radhakrishnan

3:35 p.m. Why I like the SAPIEN valve

Dr. Mark Peterson

3:50 p.m. Case presentations

4:30 p.m. Closing remarks and symposium close

Registration: \$125 Registration Deadline: January 8, 2016

St. Michael's

Inspired Care. Inspiring Science.
